

Following your Flexible Sigmoidoscopy

Gemini Endoscopy Suite
Tel: 01271 349180

Following the procedure, you will be escorted to recovery, where you will be shown where to get dret-13(w)-5(l b)-3(e)-2Endoscopy Suite

Fever: A temperature greater than 38 degrees is a sign that you could have developed an infection after your procedure. This is extremely rare but you should seek immediate medical advice for treatment.

However, if these conditions become excessive, persistent and or are accompanied by pain,

PALS

The Patient Advice and Liaison Service (PALS) ensures that the NHS listens to patients, relatives, carers and friends, answers questions and resolves concerns as quickly as possible. If you have a query or concern call 01271 314090 or e-mail ndht.pals@nhs.net. You can also visit the PALS and Information Centre in person at North Devon District Hospital, Barnstaple.

Have your say

Northern Devon Healthcare NHS Trust aims to provide high quality services. However, please tell us when something could be improved. If you have a comment or compliment about a service or treatment, please raise your comments with a member of staff or the PALS team in the first instance.
