

Do not tumble dry or dry on direct heat such as a radiator as this can affect the elastic inserts and could cause shrinkage. **Remember** careful laundering of your corset will prolong its life.

When your corset needs repairing, please launder it and bring it into the Appliance/Orthotic Department. There is no charge for repairs.

If your original corset is comfortable, then contact the Surgical Appliance/Orthotic Department and they will order you another one. There will be a prescription charge to pay unless you are exempt for any reason.

A second corset can be supplied for laundering purposes.

If you have any questions or problems with your corset, please contact the Surgical Appliance Officer, North Devon District Hospital.
Telephone: **01271 322492**.

Have your say

Northern Devon Healthcare NHS Trust aims to provide high quality services. However, please tell us when something could be improved. If you have a comment or compliment about a service or treatment, please raise your comments with a member of staff or the PALS team in the first instance.

'Care Opinion' comments forms are on all wards or online at www.careopinion.org.uk.
