After your colonoscopy a responsible adult must collect you mtemst a atehh mou m (te-3 (sco)6rm)3cc

During your test, the doctor may have removed a polyp from your bowel (see your report). There are different types of polyps, so your polyp(s) has been sent to the laboratory at North Devon District Hospital to find out what type you have. During the colonoscopy, you may also have had some biopsies taken. These will be sent to the laboratory to be analyzed

Outside these hours contact your GP surgery or if in an emergency come to the North Devon District Hospital A&E

Have your say

Northern Devon Healthcare NHS Trust aims to provide high quality services. However, please tell us when something could be improved. If you have a comment or compliment about a service or treatment, please raise your comments with a member of staff or the PALS team in the first instance.
